*This is the aggregate number of attendances during the year.

**The average daily number of persons employed during the year is obtained by dividing the aggregate number of attendance during the year by the number of working days.

***The money value of concessions should be obtained by taking the difference of the price paid by the employer and the actual price paid by the employees for supply of essential commodities given free or at concessional rates.

Note: **This return should be Digitally Signed and Uploaded into the Portal by 31st January of the succeeding year.**
